

## *ACKNOWLEDGEMENT*

*This thesis represents not only my work at the pharmaceuticals, it is a milestone in more than four year of work at BBAU and specifically within the Pharmaceutics Laboratory. First and above all, I praise God, the almighty for providing me this opportunity and granting me the capability to proceed successfully.*

*First and foremost I wish to thank my esteemed Supervisor **Prof Shubhini A. Saraf**, Head and Dean of the Department, School of Biosciences and Biotechnology, Babasaheb Bhimrao Ambedkar University, Lucknow for accepting me as a Ph.D student, for her warm encouragement, thoughtful guidance, critical comments, and correction of the thesis. She helped me come up with the thesis topic and guided me through all these years. Her constant guidance, cooperation and support has always kept me going ahead. I owe a lot of gratitude to her for always being there for me and I feel privileged to be associated with a person like her during my life. She has given my career in science a purpose and a meaning full direction. And during the most difficult times when writing this thesis, she gave me the moral support and the freedom I needed to move on.*

*I wish to offer my sincere thanks to Prof R.C. Sobti, Honorable Vice Chancellor of Babasaheb Bhimrao Ambedkar University, Lucknow, for providing infrastructure facilities for carrying the project advices throughout my academic career.*

*I convey my thanks to Dr. Gaurav Kaithwas and Dr. Sudipta Saha, faculty members of Dept of Pharmaceutical Sciences, B.B.A.U, Lucknow, for their hearty cooperation and valuable guidance throughout my research work,*

*I warmly thank my beloved Father (Mr. Vijay Kumar Kanoujia) for his encouragement and moral support in all aspects of my life. My Mother, (Mrs. Laj Kanoujia) who has always stood by me like a pillar in times of need. I extend my respect to my in-laws for showing faith in me and giving me liberty to choose what I desired. This dissertation would not have been possible without Jitendra Singh, my husband and friend. His support and encouragement has seen me through tumultuous times. I also would like to thank my brother and brother-in-law (Dharmendra B. Singh), for providing assistance in numerous ways.*

*Words carrying no meaning when it comes to acknowledge the help and support, I got from my friends Pankaj, Priya, Kanchan and Ajay. They have made available his support in a number of ways and always received me with warm smile whenever I approached them for help during my life. My roommates, Richa and Deepti, thank you very much for making the atmosphere of our room as friendly as possible. I am also grateful to Geeta Bhabhi, Sukhdeo Bhaiya and Swasthik for providing the pleasant environment and support during the work.*

*Finally I would like to express my whole hearted gratitude to all of those, whom I may not be able to name individually, for helping directly or indirectly and I also apologize for not mentioning personally one by one.*
