

## ACKNOWLEDGMENT

I express my deep gratitude to Prof. L.C. Mallaiah Sir, Department of Economics, who has enlightened me with his valuable suggestions, outright cooperation, support and advice required to accomplish the work and bring it to up to the mark. In true sense, he is a personality who inculcates in himself sincerity, punctuality, and professionalism with kindness and humbleness as another facet of his personality. As my supervisor his contribution in writing this study is so immense that couldn't be articulated but surely without his support and guidance, my dream of writing M.Phil couldn't be possible.

This work is dedicated to my parents, on both sides, especially my mother who has supported me and stands beside me, in each phase of my life. They are the one, who have taught me how to dream and act on my dreams with conviction and leadership. They taught me about how to live a life of faith, love, meaningful relationships and about the virtue of meaningful. To my sisters Archana & Sanjana who have suggested and share their valuable experiences with me.

I am thankful to Mr. Manoj Kumar who has helped me in primary survey. I express my sincere thanks to Ms. Parul Verma, Research Scholar who has supported and provided me the valuable opinion that acts as a further add-on in the study, at the final stage of the study.

My Special thanks to Mr. Pradeep Kumar Srivastav, working in the "Uttar Pradesh State Agricultural Produce Markets Board" who has provided me all the secondary data of the board, Charter, Booklets.
