I would like to express my special thanks and deepest appreciation to **Mr. Mukesh Kumar** for helping me complete my data collection process. Without his generous help in sending me the requisite copies of complete sample issues (which are available only in National Capital Region) directly from the NRC- Delhi, the timely completion of this Dissertation work would not have been possible.

I would like to express my special thanks and deepest appreciation to my senior Ph.D. scholar **Mr Harinath Kumar** for helping me to analyze the data technically. Also I thank all of my senior scholars and batch mates to give all kind of support and such wonderful and joyful learning environment due to which I have successfully completed this research work smoothly. At the same time I would thank to all Official Staffs especially **Dipika ma'am** and **Sandeep Bhaiya** for helping me to solve all necessary official paper works.

Last but not least, I am blessed to have a wonderful set of supportive friends, **Sourabh, Dipak & Ashok (Ph.D. scholars)**. With your all supports and encouragement, here I am able to present my M. Phil. dissertation.
