

ACKNOWLEDGEMENTS

Akhanndda-Mannddala-Akaaram Vyaaptam Yena Cara-Acaram |
Tat-Padam Darshitam Yena Tasmai Shrii-Gurave Namah ||

“Salutations to that respected Guru who showed us the place of the one who pervades the vast universe with all its movable and immovable things”.

I would like to express my sincere appreciation and gratitude to the following people who have given me constant support and encouragement at every point and have been invaluable to me in my doctoral study.

First and foremost, I would like to thank Father God, the Almighty for his love, protection and for blessing me with an undoubted health during the duration of my study.

I would like to express my extreme sincere gratitude and appreciation to my supervisor Dr. Narander Kumar, Assistant Professor, Department of Computer Science, Babasaheb Bhimrao Ambedkar University, Lucknow, India for his remarkable support, guidance, encouragement and exceptional advice. He has been actively interested in my work and has always been available to advise me. I am very grateful for his patience, honesty, enthusiasm that, taken together, makes him a great mentor. His trust and encouragements have given me strength to stand amidst difficulties and carry forward my work with perfection and serenity. As an experienced mentor his invaluable insight into both technical and professional matters has immensely supported me throughout the journey of my research work.

I pay my deep sence of gratitude to Prof. R. A. Khan, Head, Department of Computer Science & Dean, School of Information Science and Technology, Babasaheb Bhimrao Ambedkar University, Lucknow, India for encouraging and providing me with extensive support for various research activities.

I would like to pay my regards to Professor Vipin Saxena, Department of Computer Science, Babasaheb Bhimrao Ambedkar University, Lucknow, India for his faith in me. I will be indebted to him for their encouragement, motivation and inspiration.

I would like to show my gratitude to Professor S. K. Dwivedi, Professor, Department of Computer Science, Babasaheb Bhimrao Ambedkar University, Lucknow, India. He inspired and taught me that there is no substitute for discipline and hard work. His motivation and suggestions elevated my self confidence, necessary for every research scholar to do productive work.

My deep regards and thanks to Dr. Deepa Raj, Dr. Manoj Kumar and Dr. Shalini Chandra, Department of Computer Science, Babasaheb Bhimrao Ambedkar University, Lucknow, India for extending all possible help and support whenever required.

I am grateful to Prof. R.C Sobti, Vice Chancellor, Babasaheb Bhimrao Ambedkar University, Lucknow, India for providing the excellent computation facilities in the University campus. Special thanks are extended to the University Grant Commission, India for providing financial assistance to the Central University for doing research work.

*I would also like to thank the non-teaching staff members of the **Department of Computer Science, Babasaheb Bhimrao Ambedkar University**, for keeping the lab resources up-to-date and doing their work in a systematic way.*

*Special thanks are due to my dear family that left no stone unturned in supporting, helping and providing me each and every facility during the period of research. The spiritual teachings of my father, **Sri Vivek Kumar Chaudhary** and my mother **Smt. Amita Chaudhary** has been the source of my inner strength and my self confidence. My father-in-law, **Sri D. P. Rajak** and my mother-in-law, **Smt. Kavita Rajak** for their love and moral support. Most importantly, I would like to express my deep hearted thanks to my dearest and beloved better half, **Sachin Kumar** for his constant encouragement throughout my research period. Last but not least, my thanks to my brother **Abhishek Kumar Chaudhary**, for providing me technical suggestion during my research pursuit.*

And finally, I would like to express my appreciativeness close friends and research colleagues for the unceasing support, understanding, love and patience throughout my study.

To anybody else who has helped me directly or indirectly.

I say thank you.

Priyanka
