NOTIFICATION

It has been observed that many departments housed in the building of Central Library are celebrating/organizing unwanted various types of programmes/activities viz. fresher party, farewell etc. in the premises and also creating mess in and around the place.

Such kind of activities with DJ, Loudspeakers and garbage left unattended adjacent to Library is not only causing disturbance to the students who intend to study in the Library but also affecting the peaceful environment of Library which is considered to be a *silence zone*.

Henceforth, all such activities near the surrounding area of Central Library are prohibited and all faculty members, students and staff of concerned Departments are requested to maintain the decency, decorum and discipline of Library without fail. All Heads of the Department are requested to strictly adhere to this.

This is issued under the orders of the Hon'ble Vice-Chancellor.
