

ACKNOWLEDGEMENT

First and foremost I would like to express my deepest sense of gratitude to Almighty God for the blessings bestowed upon me. I would like to express my gratitude to all the helpful hands and minds which enabled me to do this research. I am extremely thank full to Prof. (Mrs.) Sunita Mishra, Dean and Head, School for Home Sciences Babasahab Bheemrao Ambedkar University, Lucknow, for her precious suggestion and co-operation to help me to complete my thesis work smoothly. Her advices have been great value to me in the research and preparation of this thesis.

With a deepest sense of gratitude and regards, I avail this opportunity to express my heart full thanks to my dexterous supervisor Dr. (Mrs.) Neetu Singh Assistant Professor, School for Home Sciences, Babasahab Bheemrao Ambedkar University Lucknow, who tirelessly gave me Excellent advice and constructive criticisms right from the initial preparation of the research Proposal to the final completion of this thesis. I am proud to be one of her students and acknowledge her wholesome contribution.

I also express my sincere thanks to Dr. U.V. Kiran and Dr. Shalini Agrawal Assistant Professor, School for Home Sciences, Babasahab Bheemrao Ambedkar University Lucknow, and all the faculty members of The Department of Human Development and Family Studies, for their guidance and assistance as and when needed. My heartfelt thanks and gratitude are expressed to the authorities of Babasahab Bheemrao Ambedkar University Lucknow, for providing me the necessary facilities for completing my thesis work in time.

I am grateful to the staff members, School for Home Sciences, Department of Human Development and Family Studies. I would also like to thank Mr. Pradeep Kumar who tirelessly gave me precious support and guidance in data analysis. My sincere thanks to the Head, Mahila Police Thana, Hazaratganj and Mr. Pavan Kumar, Advocate, Civil court for their co-operation in making this venture a reality.

This research is based on strong and rich qualitative data. While I cannot list their names because of confidentiality, I would like to thank all the research interviewees for sharing their innermost personal thoughts and opinions and

experiences on some very sensitive and even some emotional topics in question, with me. Thank you all for putting your faith in this research and your deeply appreciated inputs that made this research worthwhile.

I would like to thank my in-laws, for their immense support during the research and taking care of me like their own daughter. I do not have words to express my feeling and whole hearted gratitude to my beloved parents, my brothers and my all family members, for their love, encouragement, understanding and never ending support and silent wishes which have guided my efforts without which it would have never been possible for me to reach this stage.

To all of my friends, thank you for being there when I needed you. You encourage me to be the best I can be at everything I do. Thank you for the times that you allowed me to vent my frustrations about this project, and for being during those times when working on this thesis was the last thing I wanted to do. I look forward to a lifetime of friendship.

Most of all I would like to thank one person without whom I could never have been able to finish this research properly and on time. I am very thankful to my loving husband, Dr. Sandeep Kumar Tiwari for his constant moral support all these years, for being my best friend, a friend I never had. I am immensely grateful for the sacrifices that you have made for me, to make sure that I am able to finish my thesis work properly and rapidly. “You Are the Wind Beneath my Wings” and I am so grateful to have you as my husband and best friend.

I feel short of words to express my special thanks to my lovely daughter, Suhani. My special thanks to everybody who contributed in any way to make this research work possible and made my research work convenient and safe.

Jyoti Shukla
