

ACKNOWLEDGEMENTS

First and foremost, I would like to thank my thesis advisor **Dr. Deepa Raj, Asst. Professor, Department of Computer Science, Babsaheb Bhimrao Ambedkar University, Lucknow**, who not only supported my interests and efforts enthusiastically but steered me in the right direction whenever she thought I needed it. I shall always be indebted for her guidance and gratitude.

I would like to extend my thanks to **Dr. Sanjay Kumar Dwiwedi, Head, Department of Computer Science**, for his valuable suggestions.

I am also thankful to **Prof. Vipin Saxena, Dean, School of Information Science and Technology**, for providing all valuable guidance in my work.

I express my sincere thanks to **Dr. Manoj Kumar, Asst. Professor, Department of Computer Science**, for his continuous support and motivation.

I would also like to thanks to **Dr. Narendra Kumar, Asst. Professor, Department of Computer Science**, for valuable support and guidance.

I also thank **Dr. Shalini Chandra, Asst. Professor, Department of Computer Science**, for moral and lectorial support.

I must express my very profound gratitude to my loving husband **Manish** and my beloved son **Tanay** for providing me with unfailing support and continuous encouragement throughout my years of study and through the process of researching and writing this thesis. This accomplishment would not have been possible without them.

My warm thanks to **Prof. Ranbir Chander Sobti, Vice Chancellor, Babasaheb Bhimrao Ambedkar University, Lucknow**, for his excellent inspirational environment for research and providing all research facilities in this university.

Last but not the least my thanks to all research scholars and non teaching staff of **Computer Science Department** for lending me a helping hand whenever needed and their cooperation for successful completion of this work.

Seema Gupta
