

# Acknowledgement

*All glory goes to Almighty whose blessing is behind the success. Raise, pride and perfection belong to Almighty, so first of all I would like to express my deepest sense of gratitude to the omniscient and omnipresent power of the universe, the Almighty **God**.*

*I gratefully aware of this opportunity to express my humble and deep sense of gratitude to my respected teacher and my supervisor **Dr. M. L. Meena**, Department of Applied Plant Science (Horticulture) for his worthy guidance, valuable suggestion, incisive criticism, encouragement, helpful comments and continuous supervision throughout the research work and for the preparation of this thesis.*

*I empathetically extend my heartfelt gratitude, appreciation and venerable thanks to **Prof. M.Y. Khan**, Dean, School for , Bioscience and Biotechnology, Babasaheb Bhimrao Ambedker University, Lucknow for, incisive criticism, encouragement and guidance during the whole course of investigation and preparation of this manuscript.*

*Words can never express the indebtedness, but I dare to take this opportunity to pay my deepest sense of gratitude with profound obeisance and thanks to **Prof. R. B. Ram**, Head, Department of Applied Plant Science(Horticulture) for their helpful and illuminating guidance, constructive criticism, constant encouragement and kind help throughout the degree programme.*

*I bestow my heartfelt gratitude to Prof. **Deepa H. Diwivedi**, Department of Applied Plant Science (Horticulture), for her invaluable suggestion, encouragement, helpful comments and above all trust in me to combat the formidable by giving it a step of concrete reality during my research work.*

*I am highly indebted to **Prof. Sanjay Kumar**, and **Dr. Sutanu Maji Dr. Ravi Shankar Verma** Assistant Professors, Department of Horticulture, for their prudent suggestion and constant inspiration.*

*I am also grateful to my intimate friends and classmates **Abu Nayyer, Jitendra K. Meena and Tribhuvan Rai** who have been*

associated directly or indirectly with me during the entire course of investigation.

My thanks are also to the office staff and laboratory staff of the Department of Applied Plant Science (Horticulture).

Words cannot substitute my sincere feelings towards my affectionate revered parents, *Shri R. C. Lal*, and *Smt. Kismati Devi* whose love, dedication and inspirations encouraged me to undergo higher studies.

I would like to express my indebtedness to my husband **Mr. Shravan Kumar** for his cooperation, understanding, moral support and hardships experienced during the preparation of this manuscript.

I express my foremost indebtedness and gratitude to beloved elder sister *Smt. Sarika Lal* and brother in-law *Shri Vipin Chand Jaiswal* for their moral support, help and co-operation in completing this task, otherwise the present study would have never been possible.

A special mention goes to my niece *Satvi Lal Jaiswal*, the very tough of their blissful face made me free of all my pains and kept me going in harder times.

I am also indebted to my younger brother *Mr. Sparsh Lal*, and *Mr. Sujay Lal*, who extended moral support and love without which this dream would not be materialized.
